Whitney Point Central School
Whitney Point, N.Y.

FOREWORD

The theme of the 1967 Maroon and Gold is "In their Hands," because in their hands lies the main function of a school education by cultural enrichment and personal experience. Whose hands? From the hands of the faculty, the helping hand of the office staff and administration, to the learning, maturing hands of the underclassmen and grades, into the hands of the seniors who will soon hold the responsibilities of adult life. For truly in all of these hands and by the education they hold, rests the future of us all.

Exchange Student

International Fellowship extends hands across the border to welcome exchange students.

Maria Florez ia a gay enthusiastic little good-will representative who has enhanced the student population at Whitney Point Central School this past school year. Brought here by International Fellowship. Maria first made her home with Mr. and Mrs. Edgar Deyoe, Ted, Chris and Hudson.

Born in Lima, Peru Nov. 11, 1947 Maria's family consist of her father, who is a farmer, her mother who is at home, one older brother who owns his own farm, one older sister, married, the mother of two children, and principal of her own private school, one sister who owns a laundry which caters to airplane, companies, and a younger sister now is in school. Maria herself was graduated from school in 1965. There she took a secretarial course. After graduating she worked at an airport. When she returns to Lima after graduation in June she plans to go to school for three months to learn to be an airplane hostess She loves to fly and has dreams of seeing the world in her travels.

All her life Maria has wanted to come to the United States and to learn the English language. That dream came true this year, as she was given this opportunity by International Fellowship. Everyone here has been so nice to her. English eleven has been just wonderful to help her with her English which she never had time to study in Lima. She speaks and understands Portuguese and Italian but does not read or write either of them.

Maria has expressed her gratitude to all for a wonderful experience in living here at Whitney Point. She really likes school life. Everything about WPCS has pleased her. To all her friends Maria says, "Thank you very much for everything. I hope you come to Lima, and I will show you my country and give you some fun as I have had here."

ADMINISTRATION

BOARD MEMBERS:
LEFT to RIGHT: Gordon Glezen, Charles Pratt, Francis Kennedy, Leslie Strong (President), Fred Croft, Carlton Bird.

BOARD OF EDUCATION

The Board of Education of the Whitney Point Central School earnestly and sincerely urge not only the graduating class of 1967 but all the students to avail themselves of all the facilities of this school. We also urge them to further their education after leaving this school to keep on a competitive plane in this fast changing world. If we, as a board, have contributed anything to benefit our students, faculty, and tax payers, we are pleased and feel well repaid.

LEFT to RIGHT: Charles Pratt, Gordon Glezen, Leslie Strong, Fred Croft.

Mr. Hiram Goodrich
Superintendent of Schools
District #3, Southern Zone

LEFT to RIGHT: Carlton Bird, Francis Mullins, Francis Kennedy.

The theme of the 1967 Yearbook in Their Hands" points up again the teamplay involved in the educational process.

The School Board has a mandate from the people to provide the best possible educational opportunities for all children. Adequate financial support must be achieved to hire quality teachers; plan, construct and equip school plants, and provide teachers and pupils with the materials and equipment necessary for effective teaching and learning.

The basic premise is that everybody is important and therefore this commitment is to all children from the gifted to the slow and the special interest group.

Self motivation and pride are necessary to accomplish the universal desires of food to appease hunger, clothing and shelter for comfort, a home and family, a job that will give a measure of self-respect, compatible relationship with other people, and a chance to be somebody of worth and dignity.

As in a relay race, the baton is passed and now it is up to you to move forward to strenghthen the moral fabric of society before it becomes your turn to pass on the baton.

It is in your hands to keep the physical and intellectual currents going.

Francis Mullins
SUPERVISING PRINCIPAL

The problem of educating the young people of our district is a complex and expensive undertaking which is in the very hands of all the people. The State, through contributions toward Building Expenses, Transportation Expenses, and Operating Expenses, pays the major part of the cost of the largest business in our district. This contribution amounts to approximately 85% of an annual budget of $1,500,000.00 with the local taxpayers contributing, through Property Tax, the remaining 15%. In your hands, as pupils and in our hands, as teachers and administrators, is placed the responsibility of seeing that the money is used wisely and that the equipment and supplies purchased are used to the best advantage in the education of our students.

Osmer Brooks
VICE PRINCIPAL

Someone has said that there are twelve things to remember: 1. The value of time 2. The success of perseverance. 3. The pleasure of working. 4. The dignity of simplicity. 5. The worth of character. 6. The power of kindness. 7. The influence of example. 8. The obligation of duty. 9. The wisdom of economy. 10. The virtue of patience. 11. The improvement of talent. 12. The joy of originality."

In their hands lies the challenge for all youth to practice these qualities throughout their high school years.

In these hands we hold the formative years of a child's life. The years before twelve are the foundation for all the future living of a child. This is the reason why elementary education is so important. All improvements in elementary education lead to improved work in high school and college.

Elementary education includes kindergarten through the sixth grade. During these years we try to develop growth in the three R's and other basic skills. It is during these years that a child establishes health habits and patterns of wholesome conduct. In fact, during these years he learns to live.

Just a few of our aims during these early years are: 1. To maintain and strengthen the American heritage. 2. To develop healthy, strong and efficient citizens. 3. To teach children the basic skills of reading, writing and mathematics. 4. To build moral and spiritual values. 5. To encourage the spirit of progress. 6 To work with the home and all worthy community agencies to achieve these aims.

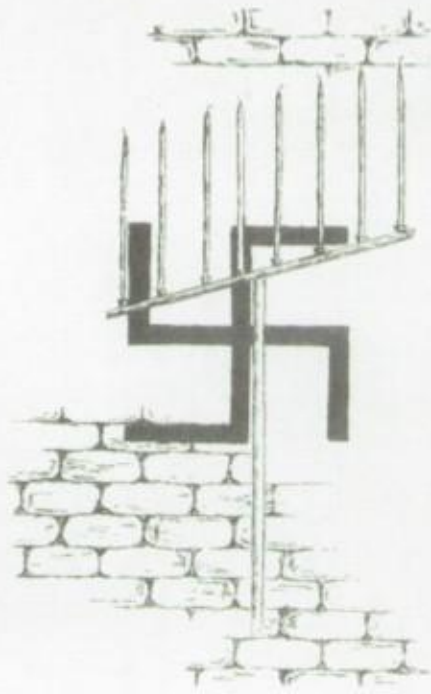
ACTIVITIES

Some people say we look alike, but Tom has the most beautiful whiskers and I only have a little fuzz!

I may not be as pretty as I used to be but I still have my legs."

At the last moment, they all look to Anne for courage.



Senior Play
Senior Class members presented The Diary of Anne Frank on December 10, 1966. The play was the story of a group of Jewish people in Amsterdam who were forced to hide from the Germans during World War II. The story is based on the diary of a thirteen year old girl. Her diary tells about daily life for the two years they were in hiding, and her problems in growing up under such trying conditions.

The earplugs...the ear plugs....They've gone inside!

We bring you Hanukkah greetings.

We kindle this Hanukkah light.....

Senior Class Play

"Peace in 1944"

I'd like to be a singer, or a dancer or something wonderful.

Oh no, we haven't sunk so far that we're going to fight over a handful of rotten potatoes.

In spite of everything I still believe that people are really good at heart.

I brought in your bags.

Raise your right hand, please.

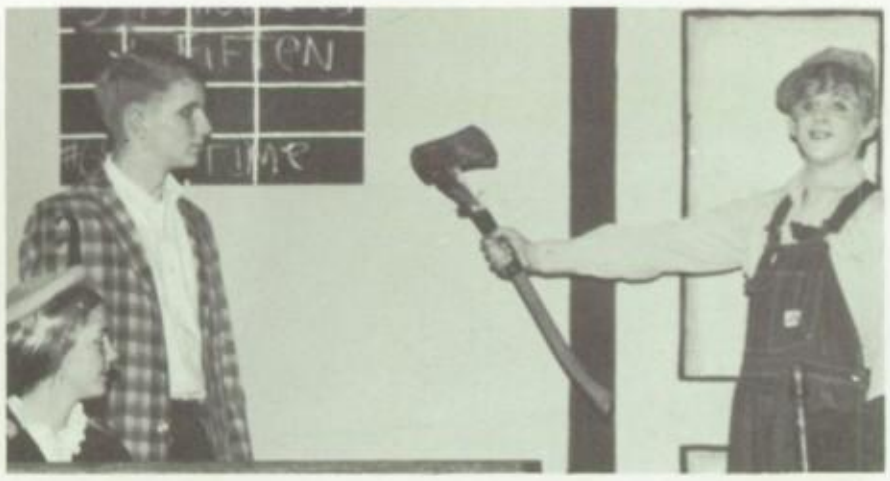
I tell you I've got to get away from here.

Off the Track

Felicia Metcalfe's comedy Off The Track is set in a small railroad station on a dark, stormy night. When a train is derailed, a strange mixture of characters is brought together. In the course of the play Mrs. Vanderventer finds her valuable string of pearls missing and a trial is held to determine who has taken them. There is also a Miss Pidgie, a nosy old maid who plots to discover what is in the mysterious suitcase of another character. Finally her scheming pays off and she discovers his secret - much to her regret.

All together now: One-Two-Three Kick!

I'm going to find out what he's got in it if its the last thing I do.



You can use this to keep order with.

NATIONAL HONOR SOCIETY
With the addition of 8 new members to the Whitney Point High School Chapter, National Honor Society continues its purpose of Character Service Scholarship and Leadership. In addition to maintaining the Honor Roll Bulletin Board, supervising individual student pictures to earn money for scholarship grants to seniors, and helping Library Club with the paperback book shack, the members were interested in attending the regional conference at Rochester in April. Installation of new members with a tea for their parents was also on their schedule.

Library Club

LIBRARY CLUB
Throughout the year, the Library Club sponsored the Book Shack in co-operation with the National Honor Society to provide students with good and diversified reading selections. Together, an after-school tea was held to show books to the teachers and get suggestions for new selections. The Library Club also provided a service for the school population in making the New York Times available to teachers and student. Also with National Honor Society, a Christmas Tea was held for Seniors with college freshmen as guest-speakers to tell what the first-year impressions of college were like.
A constitution for the Library Club was drawn up and provisions made for clubs in the old and new school buildings.
Members of the Library Club took lessons in library work and held a Halloween and Christmas Party.
In the spring of 1966, the group visited the Cornell College Campus and toured the library system. A different college was visited in the spring of 1967.

Whitney Point Sr. High Chapter of the Future Homemakers of America chose the objective to help each family member recognize his abilities and strive for their full development." The project selected to carry out this objective was "Individuality Counts." One program a month is centered around this project. Topics have been: "What makes You - You Mr. Frechettee; film-Conformity; discussion by Mrs. Baxter "The Worth of the Individual"- and a Socio-Drama "But Dad, Everybody Drives." Their money activities have been the sale of Christmas Cards and a faculty bake sale: plus a Rummage sale planned for the Spring. The Chapter hopes to send two girls as delegates to a three day meeting in Saratoga Springs in May. School served projects have been a Faculty-Christmas Tea-Construction of Draperies for Miss Clark's office-Room Maintenance in the Home Ec. room-The Honor Society Tea-Assistance to Student Council at football games.

JUNIOR HIGH F. H. A.
Junior High F. H. A. is a newly organized group this year. Their main purpose is to learn more about various areas of home economics. These aims are achieved by serving the community and school with home economics projects, preparing activities for own personal enjoyment and enlisting the aid of outside speakers or films. Junior High F. H. A. Helped the community by caroling for nursing homes, making clothes for a foster child and collecting money for muscular distrophy. Their aids to the school were to hold a fun night for junior high, shorten aprons for the shop and make sewing boxes for teachers. Mrs. Carole Walley comments: "In our group we have enjoyed baking for baby showers, a roller skating party, holding an Easter party for elementary children and also a small dinner."

Maroon & Gold

MAROON AND GOLD
Maroon and Gold, in its 27th year of continuous publication, presents a pictorial survey of W.P.C.S. from March 15, 1966 to March 15, 1967. The feeling prevails of marking time until grades 10 -12 may enter the new Senior high school and thus give more elbow room to grades 3-9 in the main building. In the hands of the yearbook staff the survey of this year has taken shape, as pictures and names tell the story of another year of growth and education in W.P.C.S.

The track team improved steadily over the season. Starting with a young team the boys proved their ability to come from behind by capturing the Section IV Class B relays for the sixth time in eight years, truly a remarkable record. Many records were broken and many boys gained experience that will surely make them a contender next season.

The outstanding event was winning the Section IV Class B Relays for the sixth time in eight years with a 22-20 victory over second place Windsor. Second in the Susquenago League Meet, the Class B Zone Trials and the Class B Finals made this track team one of the outstanding teams in the area.

Baseball

With a team made largely of sophomores the Varsity baseball team experienced a slow year. Mr. Birmingham's boys compiled a season record of 801. The highlight of the season was a win over Greene. Next years team should be much better as this year was mainly a building year.

J.V. BASEBALL 1966
J.V. baseball team began the season as a somewhat loose inexperienced club. The boys worked hard and learned a lot of baseball. Defensively each boy learned how to play his position better. Joslin, Fortunato, and Ticknor were the hurlers. They are the kind of pitchers who keep right on working until the last man is out. The all around play of the infield and outfield showed promise. Offensively the hitting and base running improved with added experience. Joslin, Ticknor and Crowningshield played with the varsity in the last game of the season. They were a lot of help in sinking The Harpursville team 17 - 4. Despite some handicaps, the 1966 J.V. baseball season was successful because a good job of developing baseball players was accomplished.

With senior Darryl Dunham breaking records regularly and leading most of the time, the Eagle Hill-climber have established the finest record in the history of Cross Country at Whitney Point this past season. In twelve meets, Whitney Point racked up seven first and three second places.

Facing its toughest competition in two Triple-Cities invitationals, the Eagles started on a low note coming in 10th at the Union-Endicott meet, but greatly improved two weeks later at the Vestal meet by making its best showing ever against Class "A" schools by capturing 4th place in a field of 20. They took second places at their own invitational, at the 13th annual Cincinnatus Invitational, and at a triangular meet held in Binghamton.

The seven meets in which Whitney Point won 1st place included a tie with Sidney a romp over Greene, and a victory over Windsor and Chenango Forks on Ford Hill. Whitney Point also won the 4th Annual Harpursville Invitational and the 8th Annual Windsor Invitational, both 14-school events. The most rewarding victory during the season was the team championship in this year's Susquenango Association meet held at Whitney Point. The biggest race of the year came after the regular season, however. This was the Section 4 Class B meet held at Chenango Valley. Whitney Point won this meet for the second year in a row by edging out Sidney 43 to 50. Sidney could not overcome the 1-2 punch of Darb Dunham and Corky Dickinson combined with Bill Eaton's 8th, Jack Mortenson's 15th and Ray Kellogg's 17th. Also running were Ed Czebiniak (19th) and Ken Mortenson (22nd). By winning this meet all seven of these boys, representing Whitnew Point and Section 4, ran in the NYS Intersectional Meet held on the same course.

The entire team deserves much credit for an outstanding job this year. The boys run many grueling miles in practice. It is a lonely, unglorious sport. Excepting a handful of loyal supporters, almost no one comes to watch a meet. In spite of this, it is hoped that a large number of boys will again turn out for Cross Country next year to continue the fine record already established at Whitney Point.

Football

VARSITY FOOTBALL-1966-67
Whitney Point 1966-67 Football season was both a surprising and disappointing one. After last years 7-0 league record the Eagles pushed to a first place tie with Greene while only two games to remained. The greatest disappointment of the season was the disastrous game at Greene in which the Eagles were defeated to turn first place over to Greene. Whitney Point finished out the season in a tie for second place with Chenango Forks both having a 5-2 league record.
"Despite the disappointment of the Greene game." said Coach Stearns, "We feel that this was a good rebuilding year and are looking forward with anticipation to a successful season next year."

1966-67 JUNIOR HIGH BASKETBALL

Whitney Point's 7th grade team had a fine 7-3 record this year. The highlights of the season were the games with Greene and Newark Valley. Most of the boys showed improvement, which could help the high school teams of the future.

The 8th grade squad finished the season with an 8-2 won-loss record. This group stressed defense to go with a 46 point per game average.

The highlights of the season were the two wins over Newark Valley by scores of 51-50 and 48-47 and the two losses to Windsor, 35-38 and 37-42. Some of these boys have an excellent chance of helping the Junior Varsity next season.

VARSITY BASKETBALL

The Golden Eagles of Whitney Point, with a team of three Seniors and eleven Juniors, captured the Susquenango League Title and the Homer Christmas Holiday Tournament during the 1966-67 season. The team advanced to the semi-finals of the Section IV Class A playoffs for the fourth consecutive year and completed the season with a fine 17-3 record.

The season was marked by some exciting games and by long win streaks. Early in the season two consecutive games went into overtime before the Eagles pulled out the wins. Win streaks of five and 10 games kept Eagle rooters excited throughout the season.

Seniors leaving the squad this year are Wally Smith, Dan Cornell, and Ray Kellogg.

J.V. BASKETBALL

Under the coaching of Mr. Stearns the JV Basketball team compiled a 14-4 season and 10-4 record. The team, beat tw ice in close games with Delhi, who went undefeated, finished 2nd in the Sus. League. Much credit is due to the fine teamwork of the boys on the team and to coach Stearns for a fine season's play.

Wrestling

WRESTLING
The curtain has been drawn on another wrestling season, and although the scales were tipped on the loss side, Coach Frank Snyder still enjoyed being at the helm of Whitney Point's best season to date---4 wins, 1 tie, and 7 losses.

Like any other sport, the season held its share of triumphs and disappointments. Hampered by the loss of some fine wrestlers who deserted the team for reasons of their own; hampered also by a lack of personnel in two weight classes, slowed down because of injuries at especially inopportune times, the Point wrestlers nevertheless distinguished themselves on many occasions.

A lot of credit has to go to people like Seniors, Chuck Manasse and John Livingston, and Junior, Gary Shipman who because of circumstances, had to wrestle all their matches at one and two weight classes above their own.

At the annual Walton Tournament which was held at Delhi this year, Whitney Point placed second and came away with five individual trophies. First place went to Mortenson, Oakley, Ellerson, and Canniff; the latter also received a trophy for the best wrestler of the day. At the Sus. League Tourney, Canniff again took first honors, and Mortenson, and Oakley each placed third in their respective weight classes.

In the Section IV tournament held at U.E., Canniff came away with second place honors, and Mortenson was fourth---- not a mean feat considering that some 45 schools were represented there.

At the Novice Tournament held in Greene, Feb. 13th, Bill Birmingham won a trophy in the 148 pound class, while Darryl Ticknor and Gary Shipman each placed third and Dick Crowingshield and Don Baldwin were fourth place winners.

As the finest tribute of all, no coach could ask for a better group of boys.

Hockey

SR. HIGH HOCKEY-1966
Many enjoyed playing hockey this year under "brisk" airs-even snow covered fields. The League Sportsday was held at Greene on Oct. 29, 1966 in the rain and snow. Kathy Greenmun and Carol LaMark were given the League honor players award for their outstanding playing.

Soccer

JR. HIGH SOCCER
Soccer is a rugged sport especially this year if they stood the miserable, damp and cold fall. There were not many nice days to play but these girls were there anyway. Their Sportsday was held on Oct. 22, 1966. at Sidney, and was it cold!

Volleyball

JR. HIGH VOLLEYBALL-1966-67
Many, many girls love volleyball and turn out for Intramurals and games. The Jr. High Sportsday was held Jan. 15, 19-67 at Windsor. The girls play on color teams therefore they lose their school identity. They meet a lot of gals from other schools and have great fun also.

SR. HIGH VOLLEYBALL-1966
Many, many girls love volleyball and turn out for intramurals and games. The League Sportsday was held at Sidney on Dec. 17, 1966. An A & B team go from each school. W. P. B. team came in 2nd Ann Leahy, Linda Durling, Charlene Johnston and Betsy Judson received the honor player awards from the league meet.

Basketball

JR. HIGH BASKETBALL-1967
Basketball for Junior High is a learning experience. Since it is a difficult sport to learn the girls do not have a sportsday like the other sports. However they do play individual games with other schools.

SENIOR HIGH BASKETBALL
Many enjoyed team competition this year, more so than other years, as this year girls were given the right to unlimited dribble. The League Sportsday was held at Walton on February 18, 1967. Kathy Greenmum, Ann Leahy, Carol LaMark, and Betsy Judson were given the honor player awards from the Susquenango League Sportsday.

Tumbling

JUNIOR HIGH TUMBLING-1967
Last year for the first time an experimental gymnastic meet was held at Greene. Individual winners were honored but there was no school winner as it was only an experiment. Again this year the groups hold a league meet.

Softball

JUNIOR HIGH SOFTBALL
W. P. C. S. had a very short softball season (1966) due to the poor weather, everytime a game was scheduled it rained or snowed. But the girls participating in the Intramurals had fun.

GIRLS SOFTBALL - SENIOR HIGH - 1966
Due to inclement weather conditions this spring WPCS did not have a playday and all of the games were cancelled by either rain or snow. This was unfortunate for all concerned as softball is a sport loved by many.

Track

1966 JUNIOR HIGH TRACK

On June 4, 1966, the League Track Meet was held at Whitney Point at 10 A.M. It was a poor day, cloudy and rainy. The girls performed well under the poor conditions of the day and placed second close behind Sidney.

GIRLS TRACK-1966

The S. H. took the 1st place trophy. They did an outstanding job in outscoring the 2nd place school 31-21, even though it was raining through the whole meet.

graduation

. . . the end . . . or the beginning ?

YES . . . and NO . . .

Graduation is the end of an era in your life.

It is also the beginning of a new era for you . . . a period when the responsibilities of adulthood suddenly appear.

"Bank standing" is something that will help you meet those responsibilities head-on. By doing business with a bank through use of checking, savings, loan and other facilities, you establish the financial reputation and maturity that today's successful person needs.

Throughout your life . . . the only bank you'll ever need is FIRST-CITY.
